Re: Harjobanpreet Sidhu

Dear Selection Committee,

It is my great pleasure to write this letter of reference for Harjobanpreet Sidhu for the UFV Scholarship program. I came to know Harjobanpreet in my ARTS299 class in the College of Arts at University of the Fraser Valley this past semester.

It has been remarkable to get to know Harjobanpreet over the past few months, both through his coursework and personally through conversation. Harjobanpreet is completing his Bachelor of Computer Information Systems with the aim to have a career as a software developer.

Harjobanpreet is a quick learner, hardworking, and methodical and logical in his approach to learning. Throughout the semester, his engagement with the course materials and communication with classmates in-person and online are what struck me. His online discussion posts were consistently thorough and thoughtful, where he asked questions and engaged with his group members on the wide range of topics and themes presented in the course. I have no doubt the hard work and preparation he brought to my class (where he earned a grade of A+) was not unique to my experience.

Harjobanpreet has expressed interest in pursuing a co-op placement to complement his academic work while at UFV. I am fully supportive of his career and academic pursuits and am delighted to endorse him for the UFV Scholarship program.

Sincerely,

A handwritten signature in black ink that reads "Chelsey".
